CDAIA also annually recognizes an outstanding prosecutor through its Prosecutor of the Year award. The tradition and honor of receiving these awards is well respected throughout the state. We again are looking for Chiefs to submit outstanding candidates for both awards. The award recipients will be honored at the annual conference in Monterey, September 2<sup>nd</sup> through September 5<sup>th</sup>.

- Personal and professional traits that bring credit to your office
- Peer and office recognition
- Honors in personal and professional lives
- Letters of commendation
- Summary and conclusion

And specifically for the Prosecutor of the Year Award:

- Relationship with the Investigators in your office and the furtherance of a "team effort atmosphere."
